Pink or Orange Tickets

If you receive a pink or orange parking ticket from the Carnegie Police you will have to mail or bring your payment to the Carnegie Borough Building, One Veterans Way, Carnegie, PA 15106.

How Meter Feeder Works

Carnegie Borough has begun its partnership with Meter Feeder, Inc., which has an app of the same name available for download using any iPhone or Android device. The app allows users to upload and store their license plate and payment information the first time they pay for parking. Consequently, when a user's time is about to expire, the app sends a notification to their phone, alerting and allowing them to add more time remotely. Commuters can pay by app at any Calè kiosk.

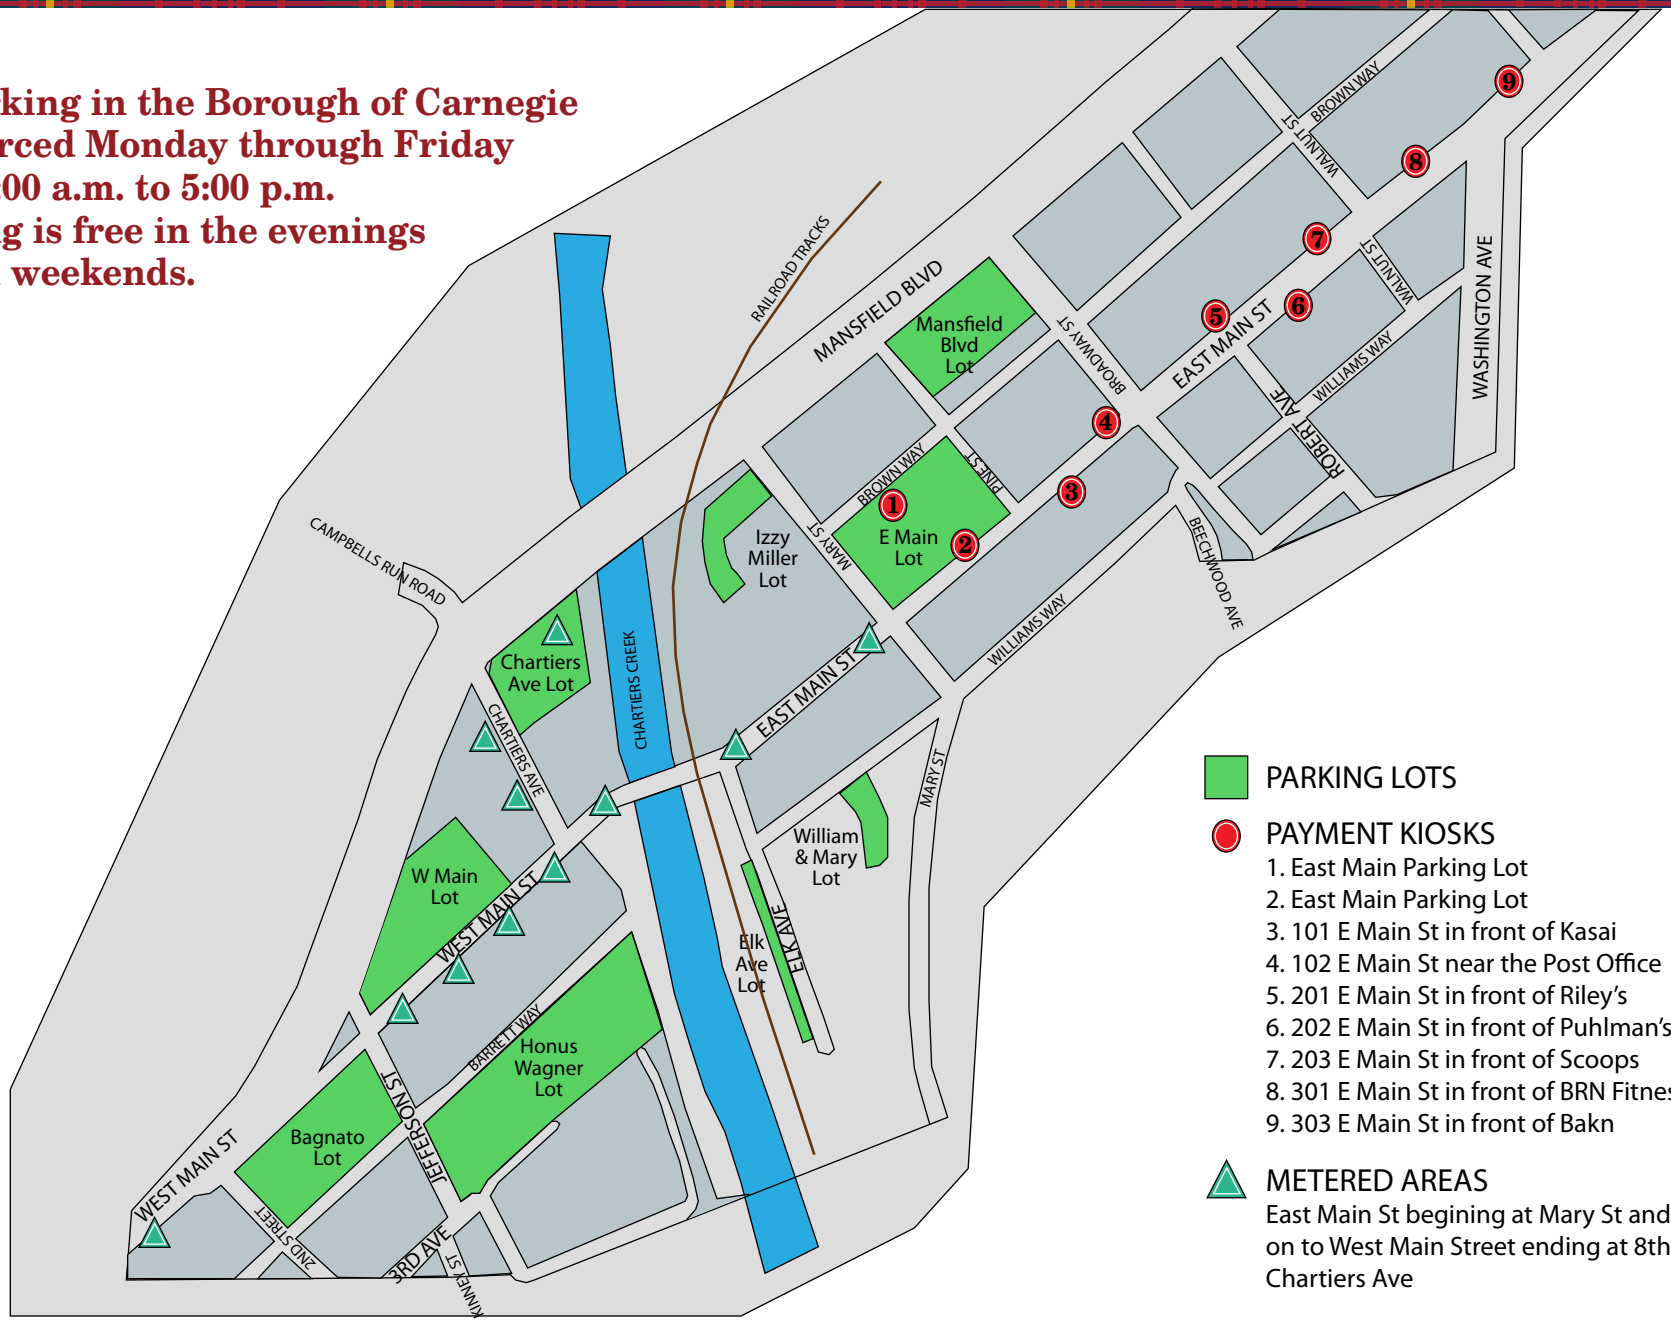

Carnegie's parking enforcement offiicers use Meter Feeder's administrative companion app, Meter Reader, as an enforcement tool to determine who has paid electronically and issue any citations, as needed.

All citations have a QR code on the bottom. Users of the Meter Feeder app can scan the bottom of the ticket or the QR code pictured here or go to meterfeeder.com to pay for a violation. Payments may also be mailed to:
