KELTY COMMUNITY COUNCIL

Partner City Memorandum of Understanding between: the Village of Kelty and the Borough of Carnegie

The Village of Kelty and the Borough of Carnegie:

- Wishing to develop friendship and cooperation between their cities and their citizens.
- Being aware of the benefits that cooperation may bring in terms of shared quality of life of their citizens.
- Being determined to use all aspects of their cooperation to promote development in both cities.

Recognizing that:

- We live in an era of where international collaboration is vital.
- Successful city collaboration is based on the development of a wide range of exchanges covering activities such as culture, art, music, literature, performance, food, business, service, education, pen pal exchanges, the environment, sport, technology and heritage.

Agree to endeavor to develop exchanges and cooperation by signing this partnership agreement.

Article 1

The Village of Kelty and the Borough of Carnegie agree to build cooperative relations based on the mutual respect of the values and characteristics of each city.

Article 2

Based on the ongoing synergy between our cities; building on past learning exchanges and a shared commitment to environmental, racial justice and economic and social equity goals; the two parties shall explore opportunities to cultivate closer relations with one another through cooperative activities focusing on art, music, literature, performance, food, business, economy and innovation, service, education, library, schools, pen pal exchanges, health and wellbeing, citizen engagement, mobility, climate health, sport, technology, heritage, and equality.

Article 3
Each party shall seek to identify other areas for collaboration, and, in all activities, work for the benefit of both municipalities. The parties will establish bilateral working committees to implement this agreement and propose specific activities and means of collaboration, as well as monitoring and evaluation of those activities. The committees will report to each of the parties' representatives whenever appropriate, and at least once a year.

Article 4
Cooperation and exchange programs will be managed in one of two ways:

1- directly by both parties.

2- or facilitated by appropriate exchanges with government and municipal authorities and/or national and/or local public and/or private establishments and/or not for profit organizations in all aforementioned fields.

Article 5
Both parties see this Partnership as requiring investment and commitment by both municipalities over a long-term basis, however they may add, remove or modify the articles in this agreement according to the reciprocal interests and needs of the two municipalities.

Article 6
Therefore, by affixing our signatures on behalf of our respective communities, we declare Carnegie, Pennsylvania, United States of America and Kelty, Scotland, United Kingdom Partner Cities, on this day March 16, 2023.
