MEETING SECOND MONDAY EACH MONTH 7:00PM
WWW.CARNEGIEBOROUGH.COM

**Date:** 7/24/2026
**Subject:** Important Notice – Parking Enforcement for Carnegie's Central Business District

To whom it may concern,

Recognizing the importance of ensuring public parking spaces are available for customers and visitors to the Central Business District, the Borough of Carnegie is implementing enhanced parking enforcement to ensure compliance. Please review the following:

**Permit Holders:**

- Permit holders must park in their **assigned permit spot**. Permit holders should not park in public spaces reserved for visitors and customers. Parking outside your assigned permit space will result in a citation unless you are parked in a metered spot and have paid.
- Expired permits should be renewed as soon as possible. Expired permit holders will receive a citation for parking in a spot that is permit only.

**Non-Permit Holders:**

- Building owners, business owners, and some commuters are required to own permits **to park** in permit parking lots and spaces. If you or your employees do not plan to park, or plan to pay for a metered spot, you do not need a permit. If you are unsure if you have or need to purchase a valid permit, you may call Carnegie Borough at (412) 276-1414 EXT. 1422.
- Citations will be issued for violations, including parking outside assigned lots, expired meters, and unpaid permits.

**Permit Billing and Pricing**

- Each permit costs $30.00 per month for Business owners and their Employees.
- Permits will be assigned on a first-come first-served basis.
- To purchase or renew a permit or for any questions regarding permits, please call **(412) 276-1414 EXT. 1300.**

Permit parking lots are restricted to permit holders only from 7:00 AM to 5:00 PM on weekdays. Outside of these hours, including evenings, weekends, and holidays, the lots are open for public use. This schedule ensures permit availability during peak business hours while still allowing community access at all other times. Any vehicle in these lots for an extended period of time may be subject to fines or towing.

Please understand that **this does not represent a change in policy.** This policy exists to ensure our Central Business District is accessible to as many customers and visitors as possible. We thank you for your dedication to the Carnegie community and are ready to assist with compliance.

Sincerely,
Asher Carr-Chellman
Assistant Borough Manager / Director of Municipal Services
